Congratulations!

The marching band broke an 80 by quite a bit, with an 86.3 - our highest score of the season we were able to put some distance between us and some of our other competitors in NESBA Division 6! Closing the gap to Wakefield, we are making this season even more interesting. The best news of all - the band continues to work hard and get better! Congratulations to all of the performers in the MHS marching band for another wonderful week of work. And thank you to the parents for giving up your time to help us get everywhere we need to go!
