

Meeting Minutes
MBPA Monthly Meeting
January 5, 2023 @ 6:00pm

1. Directors Report

Winter concert went well. It was great to see everyone. Students truly enjoyed performing for everyone.

Permission forms will be coming home tonight with the students. Please ask for them and return as soon as possible.

MICCA is at the end of March and MHS will be attending. That field trip form will be sent out later.

a. Home Show Update / Mannsfield Showcase

Unfortunately, due to low participation, we will need to cancel the home show.

Instead Mansfield will put on a showcase, on that same day, of MHS & QMS percussion and Varsity & mini color guard. The community, family, and friends are welcome and encouraged to come.

We will charge a small fee to tickets to recoup costs for custodians, food, and police detail.

We will instead attend a competition on that Saturday

Floors for percussion & color guard have been delivered

2. Treasurer Report

Hilliards credits will be applied to student accounts - hopefully over the weekend

Christmas Eve Gillette credits will also be applied soon

Christmas eve game commission will be lower than usual. Due to the weather there was frozen registers & beer lines so unable to serve the usual number of people.

a. Uniform Collection

We will start collecting marching and color guard uniforms for senior and juniors.

By doing this, we hope to get a greater return and not have to be looking for uniforms during band camp.

5. Grant Update - \$7,106.45

Received word from the Town of Mansfield for an approved grant in the amount of \$7,106.45. Thought it would be maybe a few thousand but we were very happy with the amount. Huge thank you to Craig for filling out all the paperwork necessary to apply for the grant. Mr. DeJoy will think about where the money would be needed the most.

6. Rehearse-A-Thon - February 18th

Rehears-A-Thon is an all day rehearsal with a sneak peak of the show at the end of the day. Guard will be holding their own on a different day. We will be serving lunch & dinner to the students. A sign-up genius will be created and sent out for donation of food and help with set up and clean up.

Next Meeting: Thurs. February 2 @ 6:00pm
